A blessed and joyous Eid-ul-Fitr

The National Federation Party Leader Professor Biman Prasad sincerely wishes our Muslim Community a blessed and joyous Eid-ul-Fitr.

Professor Prasad says Eid is a time of joy and reflection. It is the end of 30 days of fasting throughout the holy month of Ramadan, the observance of which is considered one of the pillars of Islam.

“In our multi-ethnic, multi-cultural and multi-religious country, Eid is a significant event. It is culmination of practice of self-discipline, increased prayers and charity towards all, especially our under-privileged and less fortunate”.

“The celebration of Eid symbolises unity, mutual co-existence and patriotism”. Professor Prasad says

“Once again the NFP sincerely wishes our Muslim Community a blessed and joyous Eid-ul-Fitr and may it bring them good health and prosperity”.

Professor Biman Prasad
NFP Leader
